- Expand laws regulating spending on political communications, including those requiring disclosing donor information, to apply to communications clearly identifying candidates or ballot questions, even if they do not expressly advocate voting for/against them.
- Expressly apply the law requiring disclosure of who paid for political communications to internet political communications.

Authority

Renewal of Oakland County Zoological Authority Millage in Support of the Detroit Zoo

Oakland County Zoological Authority

In 2008 and 2016, pursuant to Public Act 49 of 2008, Oakland County voters renewed a 10-year property tax millage to fund zoological services through the Oakland County Zoological Authority, supporting animal care for more than 2,000 animals and 200 species, educational and senior programs, and facility maintenance at the Detroit Zoo.

To continue providing these services, the Authority seeks to renew and restore the millage to the original voter-approved rate of 0.10 mill (10 cents per \$1,000 of taxable value). This proposal would renew the millage at 0.0927 mill and restore the remaining 0.0073 mill that was reduced due to required rollback, for a total authorized rate of 0.10 mill on taxable real and personal property for ten (10) years.

If approved, the millage rate would be unchanged from those approved by voters in 2008 and 2016. Funds will be disbursed to the Authority and transferred to the Detroit Zoo as permitted by law. All funds are subject to annual independent audits. It is estimated that \$8,831,012 will be collected in the first year.

Ballot Question:

Do you approve the renewal and restoration of the levy of 0.10 mill on all taxable property in Oakland County for a period of ten (10) years, from 2028 through 2037?

☐ Yes

☐ No

Millage Proposal

Southeast Michigan Public Historical Museum Authority
County of Oakland
State of Michigan

The Southeast Michigan Public Historical Museum Authority ("Authority") is a joint authority established by Wayne and Oakland Counties ("Counties") pursuant to Michigan Public Act 321 of the Public Acts of 2000, as amended, and was formed to support the Charles H. Wright Museum of African American History, Detroit Historical Museum, Dossin Great Lakes Museum, and other public historical museums located in Wayne and Oakland Counties ("Historical Museums") that provide historical museum services for students, residents and visitors of the Counties. The law allows the Authority to seek authorization from the electors in each of the Counties to levy a tax of 0.2 mill (20 cents per \$1,000 of taxable value) on taxable property to provide revenue for Historical Museums.

It is estimated that if approved and levied, this new millage on all taxable property located within Oakland County would generate approximately \$17,733,800 in 2026.

In addition to supporting the Charles H. Wright Museum of African American History, Detroit Historical Museum, and Dossin Great Lakes Museum, 15% of revenues received by the Authority from taxable property in Oakland County, after Authority administrative expenses, will be disbursed to the County of Oakland for the purposes of supporting Historical Museums in Oakland County.

Shall a 0.2 mill tax on all taxable property located within Oakland County be imposed by the Authority for a period of ten (10) years, being years 2026 through 2035, inclusive, to provide historical museum services for the benefit of the residents of the Counties?
