**AGREEMENT**

This agreement entered into this July 1, 2015 by and between the City of Berkley, hereinafter referred to as the "City", a municipal corporation, and the Berkley Public Safety Officer's Association, hereinafter referred to as the "Association", representing certain employees in the City, hereinafter referred to as the "employee" or "employees".

**ARTICLE I: PURPOSE**

The purpose of this agreement is to set forth the wages, hours, and conditions of employment of those employees of the City of Berkley who are members of the collective bargaining unit as subsequently defined in this agreement.

**ARTICLE II: RECOGNITION**

**201      ASSOCIATION RECOGNITION**

201.1      The City of Berkley recognizes the Berkley Public Safety Officer's Association, represented by the Police Officers Labor Council, as the sole and exclusive bargaining agent to the extent permitted and required by Public Act 379 of 1965, for such employees as it represents. The City will negotiate with the Association on items relating to rates of pay, wages, hours and conditions of employment.

**202      MANAGEMENT RIGHTS**

202.1      The Association recognizes the City as the sole authority to control its properties and the maintenance of order and efficiency and the right of the City to establish and maintain rules and regulations governing the operation of the Department and the employees therein and the right to suspend or discharge for just cause. The foregoing is subject only to any seniority rules, grievance procedures, and other express provisions of this agreement as may be hereinafter set forth, providing however, that the recognition herein granted shall in no case supersede or take precedence over the City Charter or the rules and regulations of the City.

**203      NON-INTERFERENCE**

203.1      The City will not interfere with, discourage, restrain, or coerce employees because of their membership in the Association or any lawful activities therein.

**204      ASSOCIATION MEMBERSHIP**

204.1      The collective bargaining unit covered by this agreement shall consist of all Public Safety Officers and Detectives employed by the Berkley Public Safety Department, excluding all sergeants, lieutenants, captains, police chief, and all other employees of the City of Berkley.

204.2      This agreement shall not abridge the right of any employee to belong to any other organization whose aims and purposes are not in conflict with the provisions of this agreement.

204.3      For purposes of interpreting the terms of this agreement, the term, "Public Safety Officer" shall be considered as the same as the term, "Police Officer," "Firefighter".

**205 CHECK-OFF OF DUES AND FEES**

205.1 The employer agrees to deduct the Association membership dues and/or collective bargaining service fees from the pay of those employees who individually request in writing that such deductions be made.

**206 AGENCY SHOP**

206.1 The parties recognize that all employees covered by this Agreement should pay their fair share of the cost of negotiating and administering the Agreement.

206.2 It shall be a continuing condition of employment that all employees covered by this Agreement shall either maintain membership in the Association by paying the Association's uniform dues, fees, and assessments, or shall pay a collective bargaining service fee as determined by the Association for costs of negotiating and administering this and succeeding Agreements.

206.30 Any employee who has failed to either maintain membership or pay the requisite fee shall not be retained in the bargaining unit covered by this Agreement; provided, however, no employee shall be terminated under this Article unless:

206.31 The Association has notified him/her by certified letter addressed to her/his address last known to the Association spelling out that he/she is delinquent in payment of dues or fees, specifying the current amount of delinquency, and warning the employee that unless such amount is tendered within ten (10) calendar days, he/she will be reported to the City for termination from employment as provided for herein, and,

206.32 The Association has furnished the City with written proof that the foregoing procedure has been followed.

206.33 The Association will provide to the City, in affidavit form signed by the Association Treasurer, a certification that the amount of delinquency does not exceed the collective bargaining service fee including, but not limited to, the cost of administering and negotiating this and succeeding agreements.

206.4 Upon the demand of the City, the Association agrees that it will defend the City in any legal proceeding brought by a person contesting the administration of this section or the amount of the collective bargaining service fee and to reimburse the City upon its payment of any judgment of damages, costs, or any other court mandated expense.

## **ARTICLE III: CONTRACT NEGOTIATIONS**

**301 REPRESENTATION AT NEGOTIATIONS**

**302 CONTRACT RATIFICATION**

302.1 A contract shall be considered to be ratified by the Association when the president of the Association delivers to the City written notice that the Association has acted favorably upon the question of ratification. Thereafter, City Council shall act on the question of ratification in the manner provided in the City Charter for the approval of contracts.

302.2 Ratification of a new contract shall be completed only when it has been ratified by both the membership of the Association and by the Berkley City Council.

All such meetings on City property shall take place after the regular hours of the City Hall and only upon prior notification of the Director. Reasonable effort will be made to relieve personnel working for said meetings.

**403 JOINT RESPONSIBILITIES UNDER ACTS 336 AND 312**

This definition shall not be construed to limit, impair, or affect the right of a public employee to the expression or communication of a view, grievance, complaint, or opinion on any matter related to the conditions or compensation of public employment or their betterment so long as the same is not designed to and does not interfere with the full, faithful, and proper performance of the duties of employment.

Employees receiving such support shall report the amount and the source at the time that a claim for reimbursement is submitted.

602.2 No payment under the educational incentive program shall be made unless an employee has completed the probationary employment period with the City as a police officer.

602.3 Payments under the educational incentive program will be made in July based upon acceptable credits submitted on or before June 30. ### **705 SUBMISSION OF WRITTEN GRIEVANCE**

705.1 A written grievance must be filed within five (5) working days, of the occurrence or event giving rise to the grievance or, after the aggrieved employee may reasonably be presumed to have knowledge of the matter, otherwise no grievance shall be deemed to exist.

705.2 The procedure for informal disposition of grievances as described in Section 702 shall not, when used, delay or otherwise postpone the time for submission of the written grievance unless such is agreed to in writing by the City.

## **706 DISPOSITION OF WRITTEN GRIEVANCES**

706.10 Step 1: The written grievance shall first be submitted to the Director of Public Safety who shall respond in writing within five (5) working days.

706.20 Step 2: If the response of the Director does not satisfactorily resolve the grievance, it may be submitted to the City Manager within five (5) working days following receipt of the response from the Director of Public Safety. The City Manager shall respond to the grievance in writing within five (5) working days.

706.30 Step 3: If the response of the City Manager does not satisfactorily resolve the grievance, it may be submitted to the City Council within (5) working days of receipt of the Manager's response. 706.31 The City or the Association may waive review of the grievance by the City Council upon giving written notice thereof to the other party. Notice by the City shall be given with five (5) working days of submission of the grievance to City Council.

706.32 When review of a grievance by the City Council has been waived by either the City or the Association, it shall be assumed that, for purposes of further processing and disposition of the grievance, the response of the City Council is the same as the prior response of the City Manager.

CITY OF BERKLEY  
BERKLEY PUBLIC SAFETY OFFICERS ASSOCIATION

---

**709 GRIEVANCES RELATED TO DISCIPLINE OR DISCHARGE**

709.1 When an employee is given a disciplinary discharge or layoff or a written reprimand and/or warning which is affixed to her/his personnel record, the Association will be promptly notified in writing of the action taken. Such disciplinary action shall be deemed final and automatically closed unless a written grievance is filed within five (5) working days from the time of presentation of the notice to the Association.

709.2 Grievances regarding discharge may, with the consent of the parties, be commenced at any stage of the grievance procedure or may, with the consent of the parties, be advanced and processed out of order.

709.3 All claims for back wages shall exclude the following sources of income, to the degree they are, have been, or will be received, or increased, as a result of a matter which is the subject of a grievance:

- a. Unemployment compensation.
- b. Workers compensation.
- c. Compensation from outside employment which exceeded pre-separation pattern.

709.4 An employee who is reinstated after discharge and/or disciplinary layoff shall be returned to the same work if available, work of a similar class at the same rate of pay, or as may be agreed to by the parties, as the case may be.

**710 DISPOSITION OF GRIEVANCES FINAL AND BINDING**

710.1 Any and all grievances resolved at any step of the grievance procedure as contained in this Agreement shall be final and binding on the City, the Association and any and all unit employees involved in the particular grievance.

710.2 The grievance procedure may not be used for purposes of modifying the terms and conditions of this agreement which are the proper subjects of collective bargaining.

710.3 The City shall not be required to pay back wages for periods prior to the time a written grievance is filed; provided that in the case of a pay shortage, of which the employee had not been aware before receiving her/his pay, any adjustments made shall be retroactive to the beginning of that pay period providing the employee files her/his grievance within five (5) working days after receipt of such pay.

**711 ARBITRATION OF CERTAIN GRIEVANCES**

711.1 If the response of the City Council does not satisfactorily resolve a grievance final and binding arbitration of the grievance may be initiated within fifteen (15) working days of receipt of Council's response.

CITY OF BERKLEY  
BERKLEY PUBLIC SAFETY OFFICERS ASSOCIATION

---

711.20 Initiation of arbitration shall be in the form of written notice to the City Manager of the determination of the Association to have the grievance settled by means of arbitration. Within a ten (10) working day period of receipt of notice that arbitration has been initiated, the City and the Union shall attempt to mutually agree upon and select a person to serve as arbitrator.

711.21 If the City and the Association cannot, or do not, mutually agree upon the selection of an arbitrator, within the ten (10) day period provided, the matter shall be forwarded to the Michigan Employment Relations Commission for the appointment of an arbitrator as provided by the procedures and rules of that agency.

711.30 It shall be the function of the arbitrator, and he/she shall be empowered, except as her/his powers are limited below, after due investigation, to make a written decision regarding the grievance based upon the facts and arguments presented.

711.31 He/she shall have no power to add to, subtract from, disregard, alter, or modify any of the terms of this agreement.

711.32 He/she shall have no power to establish wage rates or change any wage.

711.33 He/she shall have no power to change any practice, policy, or rule of the City nor to substitute her/his judgment for that of the City as to the reasonableness of any such practice, policy, rule, or any action taken by the City. Her/his powers shall be limited to deciding whether the City has violated the express articles or sections of this agreement; and he/she shall not imply obligations and conditions binding upon the City from this agreement, it being understood that any matter not specifically set forth herein remains within the reserved rights of the City.

711.34 He/she shall have no power to decide any question which, under this agreement, is within the responsibility of management to decide. In rendering decisions, an arbitrator shall give due regard to the responsibility of management and shall so construe the agreement that there will be no interference with such responsibilities, except as they may be specifically conditioned by this agreement.

711.35 If either party disputes the arbitrability of any grievance under the terms of this agreement, the arbitrator shall first determine the question of arbitrability. In the event that a case is appealed to an arbitrator on which he/she has no power to rule, it shall be referred back to the parties without decision or recommendation on its merits.

711.4 There shall be no appeal from an arbitrator's decision if within the scope of his/her authority as set forth above. It shall be final and binding on the Association, its members, the employee or employees involved, and the City.

711.5 The fees and expenses of the arbitrator shall be shared equally by the City and the Association. All other expenses shall be borne by the party incurring them, and neither party shall be responsible for the expense of witnesses called by the other.

711.6 No decision in any one case shall require a retroactive wage adjustment in any other case.

---

**712      *WITHDRAWAL--CONSOLIDATION OF GRIEVANCES***

712.1      The grievance may be withdrawn without prejudice. The grievance may be reinstated up to one (1) week of the withdrawal or lose all status of the grievance. When one or more grievances are involved with similar issues, those grievances may be withdrawn upon agreement between the City and the Union pending the disposition of the representative case. Such mutual agreement must be in writing and will in no way affect the financial liability of those grievances withdrawn.

**ARTICLE VIII: HOURS OF EMPLOYMENT**

**801      *APPLICATION OF STATE LAWS***

801.1      The work schedule of Public Safety Department employees shall be governed by those provisions of the State law or laws that may pertain to this matter.

801.2      In each twenty-eight (28) day period, all employees who are subject to fire/police services and the hazards thereof shall work twenty (20) workday shifts of eight (8) hours each day as scheduled, and shall receive eight (8) days off. The employee's annual regular work year shall consist normally of 2,080 hours.

801.3      The practice of firefighters and those subject to the hazards thereof working a schedule providing for a twenty-four (24) shift on duty with a minimum twenty-four (24) rest period between scheduled work shifts and an additional day-off after each two shifts worked is hereby specifically abolished.

**802      *TRADING OF LEAVE DAYS - RESCHEDULED LEAVE DAYS***

802.1      An employee shall be permitted to trade work or leave days or hours upon the approval of her/his Shift Commander, which approval shall be in writing and signed by all affected parties. Responsibility for accounting for such trades will not be that of the City; provided, however, the employee agreeing to serving in the place of the regularly scheduled employee shall accept full responsibility for the performance of her/his duties in the same manner as a regularly scheduled employee.

802.20      An employee shall be permitted to reschedule or shift a maximum of two assigned work or leave days per 28 day leave schedule, provided the change does not create a necessity for overtime.

CITY OF BERKLEY  
BERKLEY PUBLIC SAFETY OFFICERS ASSOCIATION

1701.91 The annuity withdrawal option is an option that allows an eligible member to elect to receive his or her accumulated contributions in a single lump sum payment upon regular retirement under § 6(1)(a) of Act 345 and thereby forfeit the portion of his or her retirement benefits financed thereby, including that portion of any automatic surviving spouse coverage, or option I, or option II, or other optional form.

1701.92 The actuarial present value of the remaining periodic lifetime retirement benefit after the payment of the annuity withdrawal (actuarially equivalent benefit) shall be computed using the investment, income and mortality assumptions employed by the retirement system for the purposes of its actuarial valuations at the time this option is effective for the member.

1701.93 The annuity withdrawal option itself, or in combination with any other optional form of retirement benefit available under the retirement system, may be elected by the member only if the actuary appointed by the Retirement Board certifies that the benefit, or combination of benefits, in its opinion, will not likely result in an unavoidable increase in the cost of the retirement system to the City.

1701.94 A formal request for the annuity withdrawal option shall be made on a form provided and approved by the Retirement Board which must be executed by both the eligible member and his or her spouse, if any, and must be witnessed. In addition to such other information as the Retirement Board may require, the form shall include an estimate prepared by the actuary of the amount of the annuity withdrawal lump sum payment and also the amount of the member's regular retirement benefit payable after taking into consideration the effect of the annuity withdrawal payment and the certification required pursuant to section 1701.93. The Retirement Board may establish, and from time to time amend, uniform rules requiring the member to pay all, or part, of any fee charged by the actuary to prepare the estimate.

1701.95 After the annuity withdrawal request form has been executed and accepted by the Retirement Board it may not be modified or rescinded without the written consent of the Retirement Board, which consent shall not be given if it would be detrimental to the retirement system.

1701.96 Any and all consequences to the member and his or her spouse resulting from the election of the annuity withdrawal option, including, but not limited to income tax consequences, are the sole responsibility of the member. Any and all advice regarding the advisability of electing the annuity withdrawal option, use of the proceeds, or the consequences thereof provided by: members of the Retirement Board individually or collectively, advisors engaged by the Retirement Board, or by any City employee or City official shall be construed as informal and not based on any level of professional expertise. A member and his or her spouse who acts on such advice does so solely and completely at his or her own risk.

1701.97 The retirement board may establish forms and procedures not inconsistent with the provisions herein for the efficient administration of the annuity withdrawal option and to protect the interests of the pension system.

### Benefits-at-a-glance

This is intended as an easy-to-read summary and provides only a general overview of your benefits. It is not a contract. Additional limitations and exclusions may apply. Payment amounts are based on BCBSM's approved amount, less any applicable deductible and/or copay/coinsurance. For a complete description of benefits please see the applicable BCBSM certificates and riders, if your group is underwritten or any other plan documents your group uses, if your group is self-funded. If there is a discrepancy between this Benefits-at-a-Glance and any applicable plan document, the plan document will control.

**Preauthorization for Select Services** - Services listed in this BAAG are covered when provided in accordance with Certificate requirements and, when required, are preauthorized or approved by BCBSM except in an emergency.

**Note:** A list of services that require approval **before** they are provided is available online at [bcbsm.com/importantinfo](http://bcbsm.com/importantinfo). Select **Approving covered services**.

Pricing information for various procedures by in-network providers can be obtained by calling the customer service number listed on the back of your BCBSM ID card and providing the procedure code. Your provider can also provide this information upon request.

**Preauthorization for Specialty Pharmaceuticals** - BCBSM will pay for FDA-approved specialty pharmaceuticals that meet BCBSM's medical policy criteria for treatment of the condition. The prescribing physician must contact BCBSM to request preauthorization of the drugs. **If preauthorization is not sought, BCBSM will deny the claim and all charges will be the member's responsibility.**

Specialty pharmaceuticals are biotech drugs including high cost infused, injectable, oral and other drugs related to specialty disease categories or other categories. BCBSM determines which specific drugs are payable. This may include medications to treat asthma, rheumatoid arthritis, multiple sclerosis, and many other diseases as well as chemotherapy drugs used in the treatment of cancer, but excludes injectable insulin.

### BCBSM Preferred RX Program

**Effective Date: On or after February 2016**

### Benefits-at-a-glance

This is intended as an easy-to-read summary and provides only a general overview of your benefits. It is not a contract. Additional limitations and exclusions may apply. Payment amounts are based on BCBSM's approved amount, less any applicable deductible and/or copay/coinsurance. For a complete description of benefits please see the applicable BCBSM certificates and riders, if your group is underwritten or any other plan documents your group uses, if your group is self-funded. If there is a discrepancy between this Benefits-at-a-Glance and any applicable plan document, the plan document will control.

**Specialty Pharmaceutical Drugs** - The mail order pharmacy for specialty drugs is Walgreens Specialty Pharmacy, LLC, an independent company. Specialty prescription drugs (such as Enbrel® and Humira®) are used to treat complex conditions such as rheumatoid arthritis, multiple sclerosis and cancer. These drugs require special handling, administration or monitoring. Walgreens Specialty Pharmacy will handle mail order prescriptions only for specialty drugs while many in-network retail pharmacies will continue to dispense specialty drugs (check with your local pharmacy for availability). Other mail order prescription medications can continue to be sent to Express Scripts. (Express Scripts is an independent company providing pharmacy benefit services for Blues members.) A list of specialty drugs is available on our Web site at [bcbsm.com/pharmacy](http://bcbsm.com/pharmacy). If you have any questions, please call Walgreens Specialty Pharmacy customer service at 1-866-515-1355

We will not pay for more than a 30-day supply of a covered prescription drug that BCBSM defines as a "specialty pharmaceutical" whether or not the drug is obtained from a 90-Day Retail Network provider or mail-order provider. We may make exceptions if a member requires more than a 30-day supply. BCBSM reserves the right to limit the quantity of select specialty drugs to no more than a 15-day supply for each fill. Your copay/coinsurance will be reduced by one-half for each fill once applicable deductibles have been met.

**Select Controlled Substance Drugs** - BCBSM will limit the initial fill of select controlled substances to a 15-day supply. The member will be responsible for only one-half of their cost-sharing requirement typically imposed on a 30-day fill. Subsequent fills of the same medication will be eligible to be filled as prescribed, subject to the applicable cost-sharing requirement. Select controlled substances affected by this prescription drug requirement are available online at [bcbsm.com/pharmacy](http://bcbsm.com/pharmacy).

### Member's responsibility (copays and coinsurance amounts)

## Features of your prescription drug plan

### Custom Drug List

A continually updated list of FDA-approved medications that represent each therapeutic class. The drugs on the list are chosen by the BCBSM Pharmacy and Therapeutics Committee for their effectiveness, safety, uniqueness and cost efficiency. The goal of the drug list is to provide members with the greatest therapeutic value at the lowest possible cost.

- **Tier 1 (generic)** - Tier 1 includes generic drugs made with the same active ingredients, available in the same strengths and dosage forms, and administered in the same way as equivalent brand-name drugs. They also require the lowest copay/coinsurance, making them the most cost-effective option for the treatment.
- **Tier 2 (preferred brand)** - Tier 2 includes brand-name drugs from the Custom Drug List. Preferred brand name drugs are also safe and effective, but require a higher copay/coinsurance.
- **Tier 3 (nonpreferred brand)** - Tier 3 contains brand-name drugs not included in Tier 2. These drugs may not have a proven record for safety or as high of a clinical value as Tier 1 or Tier 2 drugs. Members pay the highest copay/coinsurance for these drugs.

### Prior authorization/step therapy

A process that requires a physician to obtain approval from BCBSM before select prescription drugs (drugs identified by BCBSM as requiring preauthorization) will be covered. **Step Therapy**, an initial step in the "Prior Authorization" process, applies criteria to select drugs to determine if a less costly prescription drug may be used for the same drug therapy. Some over-the-counter medications may be covered under step therapy guidelines. This also applies to mail order drugs. Claims that do not meet Step Therapy criteria require preauthorization. Details about which drugs require preauthorization or step therapy are available online site at [bcbsm.com/pharmacy](http://bcbsm.com/pharmacy).

Blue Cross Blue Shield of Michigan is a nonprofit corporation and independent licensee of the Blue Cross and Blue Shield Association.

Drug interchange and generic copay/ coinsurance waiver	<p>BCBSM's drug interchange and generic copay/ coinsurance waiver programs encourage physicians to prescribe a less-costly generic equivalent.</p> <p>If your physician rewrites your prescription for the recommended generic or OTC alternate drug, you will only have to pay a generic copay/ coinsurance. In select cases BCBSM may waive the initial copay/ coinsurance after your prescription has been rewritten. BCBSM will notify you if you are eligible for a waiver.</p>
Mandatory maximum allowable cost drugs	<p>If your prescription is filled by an in-network pharmacy, and the pharmacist fills it with a brand-name drug for which a generic equivalent is available, you <b>MUST</b> pay the <b>difference</b> in cost between the BCBSM approved amount for the brand-name drug dispensed and the maximum allowable cost for the generic drug plus your applicable copay/coinsurance regardless of whether you or your physician requests the brand-name drug. <b>Exception:</b> If your physician requests and receives authorization for a nonpreferred brand-name drug with a generic equivalent from BCBSM and writes "Dispense as Written" or "DAW" on the prescription order, you pay only your applicable copay/coinsurance.</p> <p><b>Note:</b> This MAC difference will not be applied toward your annual in-network deductible, your annual coinsurance, or your annual out-of-pocket maximum, if applicable.</p>
Quantity limits	To stay consistent with FDA approved labeling for drugs, some medications may have quantity limits.

**3. Vesting under Internal Revenue Code Sec. 401(a)(7)**

Upon termination of the Retirement System or upon complete discontinuance of contributions under the Retirement System, the rights of all members to benefits accrued to the date of such termination or discontinuance, to the extent then funded, shall be nonforfeitable.

**4. Forfeitures under Internal Revenue Code Sec. 401(a)(8)**

In determining benefit accruals in years beginning after December 31, 2001, the annual compensation limit for determination periods beginning before January 1, 2002 shall be \$150,000

in a direct rollover.

**(1) Definitions.**

(i) Eligible rollover distribution: An eligible rollover distribution is any distribution of all or any portion of the balance to the credit of the distributee, except that an eligible rollover distribution does not include: any distribution that is one of a series of substantially equal periodic payments (not less frequently than annually) made for the life (or life expectancy) of the distributee or the joint lives (or joint life expectancies) of the distributee and the distributee's designated beneficiary, or for a specified period of ten years or more; any distribution to the extent such distribution is required under Section 401(a)(9) of the Internal Revenue Code; and the portion of any distribution that is not includible in gross income (determined without regard to the for any determination period beginning in 1996 or earlier; \$160,000 for any determination period beginning in 1997, 1998, or 1999; and \$170,000 for any determination period beginning in 2000 or 2001. The \$200,000 limit on annual compensation shall be adjusted for cost-of-living increases in accordance with Section 401(a)(17)(B) of the Internal Revenue Code. The cost-of-living adjustment in effect for a calendar year applies to annual compensation for the determination period that begins with or within such calendar year.

**7. Eligible rollover distributions under Internal Revenue Code Sec. 401(a)(31)**

However, in the case of an eligible rollover distribution to the surviving spouse, an eligible retirement plan is an individual retirement account or individual retirement annuity.

(iii) Distributee: A distributee includes an employee or former employee. In addition, the employee's or former employee's surviving spouse and the employee's or former employee's spouse or former spouse who is the alternate payee under a qualified domestic relations order, as defined in Section 414(p) of the Internal Revenue Code, or an eligible domestic relations order under the eligible domestic relations order act, are distributees with regard to the interest of the spouse or former spouse.

(iv) Direct rollover: A direct rollover is a payment by the Retirement System to the eligible retirement plan specified by the distributee.

(2) If a distribution is one to which Sections 401(a)(11) and 417 of the Internal Revenue Code do not apply, such distribution may commence less than 30 days after the notice required under Section 1.411(a)-11(c) of the Income Tax Regulations is given, provided that:

- (i) The Retirement Board clearly informs the member that the member has a right to a period of at least 30 days after receiving the notice to consider the decision of whether or not to elect a distribution (and, if applicable, a particular distribution option), and

(b) This subsection shall apply to distributions made after December 31, 2001.

(1) For purposes of the direct rollover provisions in this section, an eligible retirement plan shall also mean an annuity contract described in Section 403(b) of the Internal Revenue Code and an eligible plan under Section 457(b) of the Internal Revenue Code which is maintained by a state, political subdivision of a state, or any agency or instrumentality of a state or political subdivision of a state and which agrees to account separately for amounts transferred into such plan from the Retirement System. The definition of eligible retirement plan shall also apply in the case of a distribution to a surviving spouse, or to a spouse or former spouse who is the alternate payee under a qualified domestic relations order, as

CITY OF BERKLEY  
BERKLEY PUBLIC SAFETY OFFICERS ASSOCIATION

---

defined in Section 414(p) of the Internal Revenue Code, or an eligible domestic relations order under the eligible domestic relations order act.

(2) For purposes of the direct rollover provisions in this section, a portion of a distribution shall not fail to be an eligible rollover distribution merely because the portion consists of after-tax employee contributions which are not includible in gross income. However, such portion may be paid only to an individual retirement account or annuity described in Section 408(a) or (b) of the Internal Revenue Code, or to a qualified defined contribution plan described in Section 401(a) or 403(a) of the Internal Revenue Code that agrees to account separately for amounts so transferred, including separately accounting for the portion of such distribution which is includible in gross income and the portion of such distribution which is not so includible.

**8. Military service under Internal Revenue Code Sec. 414(u)**

Notwithstanding any provision of the Retirement System to the contrary, contributions, benefits and service credited with respect to qualified military service will be provided in accordance with Section 414(u) of the Internal Revenue Code.

**9. Benefits and contributions limits under Internal Revenue Code Sec. 415**

Notwithstanding any provision of the Retirement System to the contrary, benefits and contributions shall be limited in accordance with Section 415 of the Internal Revenue Code, which is hereby incorporated by reference.

(a) For purposes of Section 415 of the Internal Revenue Code, compensation shall mean compensation actually paid during the limitation year and the limitation year shall be the Retirement System year or such other consecutive 12-month period over which compensation is otherwise determined under the Retirement System.

(b) For purposes of adjusting any benefit or limitation under Section 415 of the Internal Revenue Code, the mortality table used shall be the table prescribed by the United States Secretary of the Treasury in accordance with Section 415(b)(2)(E)(v) of the Internal Revenue Code.

(c) For limitation years beginning on and after January 1, 2001, for purposes of applying the limitations described herein, compensation paid or made available during such limitation years shall include elective amounts that are not includible in the gross income of the member by reason of Section 132(f)(4) of the Internal Revenue Code.
